

2026 Men's League Events

May 21st – 28th 123-321 Best Ball

- **Front nine scoring:** 1 score on the par 3's 2 scores on the par 4's and 3 scores on the par 5's
- **Back nine scoring:** 3 scores on the par 3's 2 scores on the par 4's and 1 score on the par 5's

June 4th – 11th Shamble (2 weeks 3 flights)

A "shamble" is a type of tournament in which a team of golfers selects the one best drive among them after teeing off, then all four play their own golf balls from that position into the hole. You can think of a shamble as a scramble off the tee and then regular ol' stoke play into the hole.

June 18th – 25th – Stableford

Each player plays his own ball and then scoring will be determined by the following table and the team will take the 2 lowest points for the hole and add those together for the team's hole score.

- -3 points for 3 Under Par or Less
- -2 points for Eagle
- -1 point for Birdie
- 0 points for Par
- 1 point for Bogey
- 2 points for Double Bogey
- 3 points for 3 Over Par

June 9th & July 16th Four-man scramble (2 weeks 3 flights)

All four team members tee off. Go to the best shot and all four hit from there. Continue this way until you hole out. You MUST use two tee shots from each team member.

July 23rd – Four-man Cha Cha Cha (One week handicapped)

In the 4-Man Cha Cha Cha golf tournament format, each member of the team plays his or her ball throughout. But a 3-hole rotation exists for determining how many scores are used to create the team score.

On the first hole (cha), the one low ball counts as the team score. On the second hole (cha cha), the two low balls combined count as the team score. On the third hole (cha cha cha), the three low balls combined count as the team score.

The rotation starts over on the fourth hole.

July 30th – Aug 6th Four-man Team Quota

Each team will be assigned a Quota. The team with the most points over their quota is the winner. The quota that your team is assigned is the difference of the teams combined handicap, subtracted from 144. Here is an example:

The 4-man team combined handicap totals 32 for 9 holes and we'll double it for 18 holes: 64

$$144 - 64 = 80 \text{ Team Quota}$$

1 point for each net bogey on a hole

2 points for each net par on a hole

3 points for each net birdie on a hole

4 points for each net eagle on a hole

The team with the most points over their Quota is the winner.

Aug 13th Four-man Choose'em and lose'em scramble

This event is played according to the rules of the "Four Person Scramble" with one exception.

The person whose ball was selected as the best position shot, does not hit the next shot. Only three players hit from that spot. The person who did not hit the previous shot will be allowed to hit the next shot and, once again, the person whose shot was selected does not hit this time. Hence, the Choose 'em and Lose 'em golf format.

The only time four members of the team will be hitting from the same location is on the teeing ground.

Aug 20th – Low Gross/Low Net

For each team's score we will use 1 low gross score and 1 low net score. The scores cannot be from the same player. The 2 scores combined will be the team score for the hole, the scores for all 9 holes totaled to get the event score.

August 27th Final night and banquet. Event TBD
